LAPD: Mark Allen to be new senior lead (27468@lapd.lacity.org); recently mostly property crimes, 4 aggravated assaults

GSS: Panhandling & drunk males increased—officers go out after calls come in to 800#; New LAPL liaison is Mark, hoping to do training w/ GSS & LAPD in March. Still need parking for vehicles; Insurance & liability: officer acts are covered by general liability w/ NFA named as additional insured. Still need to define “scope of work”; wording is being written so NFA is properly covered in special cases; final language will be reviewed by NFA before signing agreement. GSS now patrolling 16 hrs/day.

Chrysalis: Not much changed; graffiti issue seems stabilized. Chrysalis is picking up 7-8 free trashcans from Paramount that will come to NFA

NFA

LANI Update: we will be meeting w/ SWA later Feb 20 to see updated plans for street improvements.
